

DIRECTIONS TO CONGRESSIONAL CEMETERY & LEONARD'S GRAVE

1801 E Street & Potomac Avenue SE
Washington DC

There is limited street parking, but it's within walking distance of Potomac Avenue Metro Station on the Orange and Blue Metro Lines. Exiting the station, turn left onto Potomac Avenue, and walk to E Street (about 5 minutes). At E, take a slight right and enter the main cemetery entrance. If the large gate is closed, the smaller side gate to it should be unlocked. Walk to the chapel directly ahead, then turn left onto Ingle Street, and walk to the intersection of Ingle and Henderson. Leonard's grave is immediately to the left under a tree. Link to Metro's site for departure times toward Potomac Avenue Station, etc.
